

The board shall establish a school calendar for each school year.

On or before April 1 of each year, the superintendent shall present to the board a recommended school calendar for the next school year. In making such recommendation, the superintendent shall consider the customs of the district legal holidays and other relevant matters. The superintendent shall also consider the recommendations of the district's staff in the preparation of the school calendar, but the adoption of the school calendar shall not be a subject of discussion in the negotiating process, except as provided by law. A copy of the current annual calendar shall be on file in the superintendent's office.

The board shall provide a school year consisting of not less than:

(1) The minimum number of statutorily required school days for students K-12, consisting of not less than 180 days consisting of six (6) hours per day for kindergarten through grade twelve students; or

(2) The minimum number of statutorily required school hours for students in grades K-12, consisting of not less than 1080 hours per year for kindergarten through grade twelve students.

The superintendent or his/her designee shall be required to file all necessary documentation with the State Department of Education prior to statutorily required due dates.
