Superintendents report: A. OKASBO Training – Legalities and Statutes of Activity Fund, we are in good condition. B. Football field lights – options were discussed including the cost of LED. C. Bond Issue – Discussion. Todd said we need to bring back the issue and decide what we are going to do. new or refurbish. We are still waiting on bids for remodel re-piping and re-wiring. We need to decide: fix, build, demolish, or build something new. If our ultimate goal is to have a new school on new ground, he would like to not spend a couple million dollars on something old. Mr. Glasgow does not want to sink a lot of money in the old buildings to bring them up to code, which would include removing the old floor to put in new plumbing, all new wiring, removing all the ceilings and getting the building down to the studs to redo it all. It will be a big mess and not free or cheap. If we are serious about education, we need to be serious about making a plan for it. We need to be thinking about this. The old stuff does not last forever and you can’t keep fixing it. It only lasts so long. But, we can keep doing what our local folks want to do.
New Business: (A) Consideration of any matter not known about or which could not have been reasonably foreseen prior to the posting of the agenda. None.

Board Member comments or questions. None

Randall Base made the motion, seconded by Scott Hicks to adjourn at 6:57 p.m. Those voting were: Andy Smith, yes; Randall Base, yes; Scott Hicks, yes; and Jason Bernhardt, yes. Motion carried 4-0.
