Dear Parent or Guardian:

I on behalf of Geary Public Schools would like to invite you to the Annual Title VI program meeting. It will be held in the library at Geary High School on Wednesday, March 3, at 6:00 p.m., located at 300 N Blaine, Geary, OK. I invite you to discuss the school wide Title VI program budget and use of funds.

The U.S. Department of Education, Office of Indian Education, Indian Education Formula Grant Program (Title VI, Part A, subpart 1 of the ESEA, as amended by ESSA) offers funding for eligible school districts that serve American Indian/Alaska Native children for use in developing elementary and secondary school programs that serve Indian students.

This program is designed to address the unique cultural, language, and educationally related academic needs of American Indian and Alaska Native students, including preschool children, and ensure that all students meet the challenging State academic standards.

Your input is important and I look forward to addressing your questions, suggestions, and recommendations.

Sincerely,

Todd Glasgow
Superintendent
Geary Public Schools
