Shark Bite Instructions

Place the cards in a bucket or a pile for players to reach in and choose a card.

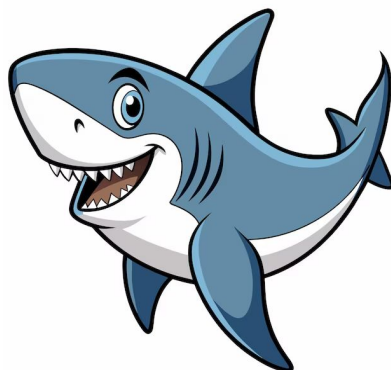

Player draws a card, reads the card, and then chooses which genre that book or story would be placed.

If player gets it right they keep their card. If they get it wrong the card is placed back in the bucket or pile.

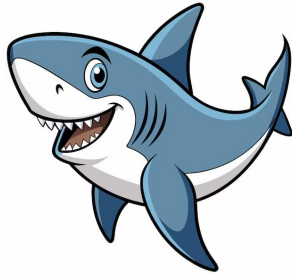

If a student draws a card with one of the ocean animals they have to follow the instructions for that animal.

- Shark Bite: Player returns all of their cards to the bucket.
- Octopus: Player returns one card to the bucket.
- Sea Turtle: Game play reverses direction.
- Sea Horse: Player draws one extra card.
- Angler Fish: Player can switch all of their cards with someone else.

The game continues until all of the cards are gone. The student with the most cards at the end is the winner.
